VOLUME 2
Section 1: Technical Specifications

SUMMARY OF CONTENTS

Part	**Description**
Part 1	Project Details
Part 2	The Site
Part 3	General Requirements
Part 4	General Workmanship, material And Design requirements For Plant
Part 5	Process Requirements
Part 6, 7, 8	Standard Basic Specifications (Electrical, Mechanical and Instrumentation & Control works) *Refer separate bounded volume*
Part 9	General Painting and Protection Requirements
Part 10 A	Standard Basic Specifications (Civil, Structural and Sewer Network Requirements) *Refer separate bounded volume*
Part 10 B	Particular Technical Specifications for Civil, Structural and Sewer Network
Part 11	Particular Mechanical Requirements for TSPSs, STPs and ISPSs
Part 12	Particular Electrical Plant Requirements
Part 13	Particular Instrumentation & Control Requirements
Part 14	Inspection, Testing and Commissioning Requirements
Part 15	Training and Advisory Requirements
Part 16	Operation and Maintenance
Part 17	Handing Over

INDEX TO TECHNICAL SCHEDULES

Preamble to Section 6 Technical Schedules

Schedule No.	Particulars
I	Construction Programme
II	Proposed Plant Details
III	Instrumentation Control & Automation Equipment's for STPs
IV	Electrical Works
V	Operating Details
VI	Schedule of Sub Contractors
VII	Quality Assurance and Quality Control Plan
VIII	Environmental Management Plan
IX	Safety Plan
X	Functional Guarantees of the Plant
XI	Statement of Deviations from the Technical Specifications

TECHNICAL SCHEDULES

PREAMBLE TO TECHNICAL SCHEDULES

1. Bidders are required to provide full and complete information as detailed in the following Schedules. All Schedules are required to be completed, but Bidders should not necessarily restrict themselves to using the space that is provided; Bidders will be responsible for providing additional sheets/pages and/or supplementary information wherever necessary to fully communicate the required information. The information will be examined to assess the capability of the bidder to carry out the work in accordance with the requirements of the Contract.

2. In the event that any particular Schedule or item in the Schedule is not applicable, the Bidder shall clearly indicate the same and provide full and complete justification regarding why it is not applicable.

3. The Employer wishes to clarify that regardless of what is proposed by the Bidder, the successful Bidder shall be required to conform in all respects to the requirements of the Contract, and all proposals shall be subject to the approval of the Engineer. Acceptance of the Bidder's proposal for the purposes of bid evaluation shall not be construed as approval by the Employer. All details will subsequently be subject to the approval of the Engineer during execution of the Contract. No claim for additional payments shall be entertained, other than in accordance with the Contract.

4. Pursuant to Sub-Clause 17, Instructions to Bidders, Volume 1, information provided by the Bidders in Technical Schedules (attached in Volume 2) will be assessed to determine whether bidder meets the qualification criteria.

5. Bidder shall submit separate Technical Schedules for the each STP & ISPS separately.

The Bidder shall note that, pursuant to Sub-Clause 22.2 of Section 1, Instructions to Bidders, bidder is required to affix bidder's seal and authorized signature on all pages of this Section, Technical Schedules.
